## PROJECT START/COMPLETION

December 2017 to March 2019

## INITIAL / FINAL COST

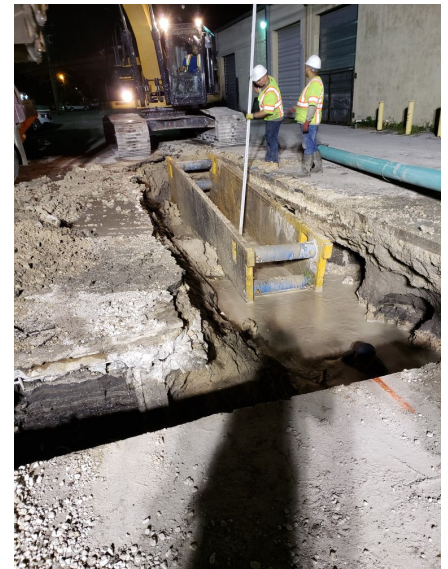

\$1,423,871.49 / \$1,236,650.20

## KEY STAFF

Javier Garzon, Principal-In-Charge  
Raidel Perez, Superintendent  
Alphonso Brown, MOT  
Fred Ward, Safety Manager

## Project Description

The work consisted of the installation of approximately 7,700 LF of PVC gravity sanitary sewer mains up to 16-feet deep and the installation of approximately 675 LF of DIP potable water mains. The work also included sanitary sewer lateral connections up to the property lines, new manholes, core drilling of existing manholes, relocation of an existing water main, reconnection and new connections for potable water and restoration.
